

# **PolarOS™ Privacy Policy**

© Copyright PolarOS™ [Linux Based] • All Rights Reserved

*Last Revised: 9/25/2021*

## **Cookies**

The PolarOS website makes use of cookies, this is to ensure the compability and working of the site.

Cookies are useful for tracking basic system information and site analytics.

Personal Information cannot be collected via cookies, and if this seems to be the case you have provided personal information yourself.

**WE DO NOT ASK FOR YOUR PRIVATE INFORMATION**

## **Information Collection**

The PolarOS website does not collect any personal information whatsoever.

The site uses javascript based code to check for browser adblockers.

The code itself does not save and/or collect any private information itself.

## **Distribution of Information**

We may share information to governmental agencies or any other organization that specializes in tracking down fraudulent users.

This, for the following reasons if;

**[1] Permitted or required to do so by law.**

**[2] Investigating Fraud that has already been taken place.**

Any other information will not be distributed to anybody unless any of the above is in effect.

## **Privacy Contact Information**

When in doubt about privacy, contacting us on our discord or any other listed social media accounts, is an option.

## **Data Security**

Your personally identifiable information is kept secure. Only authorized employees have access to this information.
