PolarID Privacy Policy

This document contains information that PolarID, which is a service maintained by PolarOS, may collect and how we use it.

Much of this information may be readily available on our documentation here.

We collect the following information
- Discord Usernames
- Discord Discriminators
- Discord ID
- Creation Date
- Email addresses
- Your locale (location, eg. "en-US")
- Discord avatars
- PolarStore information (such as comments, liked posts, disliked posts, etc.)

Why we collect your data
- To contact you via email when we are unable to via Discord or when our Discord server is inaccessible
- To improve our products or services
- To enhance your experience with our service
- To customize our website according to your needs

Your data is secure
The creators of PolarID are committed to securing your data and keeping it fully confidential. PolarID engineers have done all in their power to prevent data theft, unauthorized access, and disclosure by implementing the latest technologies and software to the best of their knowledge, which help us guard all the information we collect about you.

Cookie Policy
The data we collect with cookies is used to store information that may need to be saved, such as dark and light mode, login information for later use, etc. so we can best fit your needs.

Cookies will never be used to exploit or gain control of your computer, they are strictly used to enhance the betterment of your experience with PolarID.

You are not able to disable cookies.

Linked Websites

Our websites contain links that may lead to other websites.
